MESSENGER – May 2021

Our God is . . . Good

Have you ever felt like the guy in the cartoon with a rain cloud over his head? Wherever he goes, the rain cloud follows, but he's the only one getting wet.

When your relationships are stressed, your 401(k) tanks or your job is on the line, it feels like that rain cloud is following wherever you go. You see your friends or neighbors and you wonder, "Why am I the only one getting wet?"

At times like that, it's easy to wonder if God is good. It may feel as if God is good to some people, but right now he's skipping you. Sometimes it seems as if God plays favorites.

We can learn about God when we look at the way this world works. Aside from cartoons, the rain never falls on just one person. If God really played favorites, only the people of his choosing would be blessed with sun, rain, and the bounty of the earth.

Look outside. It is spring! Good people and those not so good can enjoy the freshness.

God doesn't play favorites with sunshine and rain. That gives us insight into the way that he acts. The Bible says, "The Lord is good to all; he has compassion on all he has made" (Psalm 145:9).

Just as God sends rain and sunshine on people who believe in him and on people who don't, he sent his Son, Jesus, for every man, woman, and child on this earth. It doesn't matter whether people believe in him or not, he still sent Jesus here to save them.

Look outside again. Whether you know it or not, spring has come. The sunshine and rain tell us that God is good.

Whether you know it or not, God cares for you. Jesus' life and death tell us that God is good.

Devotion from Pastor

In lieu of a devotion this month, Pastor Parsons has decided to share some information about the new hymnal, *Christian Worship*.

CHRISTIAN WORSHIP: Out with the Old and In with the New?

First off, the answer is “No.” We are not thinking along the lines of “Out with the Old and In with the New.” Some have been curious, wondering if or how we’ll be incorporating the new hymnal at Divine Savior when it is available for use. I hope this article helps to answer those questions. A portion of the info is set up in Question-and-Answer format below. **This may seem quite extensive. So, please take your time as you read through this to fully digest the information. Otherwise, it may seem overwhelming to take in so much at once.**

Q: Are we switching over completely to the new hymnal?

A: No. We hope to make use of some parts of the new hymnal and incorporate them into worship, but we do not plan to replace the current, red hymnals at this time.

Q: How will the new hymnal be incorporated into worship?

A: Pastor will work with the organists and the Senior Choir to introduce some the new materials (such as new hymns, new settings for old hymns, new settings for the Psalms, or new forms of liturgy) into our regular worship from time-to-time. This will allow the congregation to “get a feel” for the new hymnal and how it may benefit our worship together before having to commit fully to switching over to the new hymnal.

Q: What are the benefits of the new hymnal in comparison with the old (red) hymnal?

A: This new hymnal is designed to be used as a “singer’s hymnal”. This means that if we choose to do so, it can help us to add a bit of variety to the way we sing the hymns (e.g. only melody or up to four-part harmony for those who wish to sing different parts). The idea is that it helps members to more actively engage in the worship service. The new hymnal is also designed in a way to be more user-friendly when it comes to home/personal devotion.

Q: How is the new hymnal more user-friendly than the old (red) hymnal?

A: With the old hymnal, there were two separate sections of page numbers, so to speak. There was the section in the front of the hymnal with information such as liturgies, prayers, lectionary, and Psalms.

Then there was another section of page numbers that started with Hymn 1. It can be confusing sometimes, especially to visitors, when we have to clarify with section to find something. (For example, Psalm 23 is found on pg. 72 in the front of the hymnal. If you were to open to the large-print 72, you’d be looking at the hymn *O Lord, Our Father, Thanks and Praise*.)

The new hymnal will keep all pages sequential. The hymn numbers are the actual page numbers. (So, the first hymn will be numbered 301 because the hymn portion starts on pg. 301)

Another helpful navigation tool that has been included is that each section of the hymnal will be color-coded. The liturgy section will have a specific color-coded tab. The hymns will have a specific color-coded tab. Etc.

Q: How is the new hymnal going to be more user-friendly for home/personal devotion?

A: Many of you have incorporated singing hymns or reading psalms into your own personal devotion time already. The new hymnal is designed in such a way that you can continue to do so, but now includes a few helps/suggestions to make it easier for you. For example, you can follow a specifically laid out plan if you wish. That, coupled with easier navigation of the hymnal and other resources that are available, supports the intention that this hymnal be used for personal devotion. Also, some of the hymns are specifically written/included to be used for such things as devotion.

Q: What about my favorite hymns? Will they still be included?

A: Many of the hymns you know and love will still be included in the new hymnal. There may be a few occurrences where hymns have been removed, but for the most part, most of the same hymns will be available along with newly-included hymns.

Something to note: Not all the hymns will be in the hard-copy printed hymnal. There is an extensive digital list of hymns available for use during worship. The hard-print copy includes more than 650 printed hymns.

Of the 650 printed hymns, approximately two-thirds of them will be previously-included, well-known, and well-loved hymns. The remaining one-third will include new hymns or new settings of old hymns. This newly-included music will return some timeless hymns that did not “make the cut” for the red hymnal, and it will also include some new contemporary Christian hymns, as well.

Q: What is the digital resource, *Christian Worship Service Builder*?

A: Service Builder is a digital resource that has been offered for use to help plan worship throughout the church year, as well as design and print weekly service bulletins. This is a subscription service that must be paid for every year we plan to use it.

Q: Why should we consider using the digital resource, *Service Builder*? What benefits are there?

A: The primary benefit of using the Service Builder is that after becoming acquainted with how it works, Pastor and the office secretaries will be able to put together worship service bulletin in a matter of minutes. This is a process that currently takes approximately 3-6 combined hours, depending on the service.

Another benefit is that the Synod Hymnal Committee that is heading this project is working tirelessly to incorporate copyright fees and automatic reporting when hymns are used. If they are successful in this effort, we may be able to eliminate some of the extra costs of separate copyright licenses and save time for Pastor and the office secretaries when it comes to manually reporting the use of hymns. (We currently pay a subscription price for four (4) separate copyright licenses; two for the rights to print music, and two for the rights to stream music in our online video recordings.)

Q: How much will it COST initially to purchase and use these materials?

A: The initial cost of physical materials (one-time purchase) and digital materials (annual subscription) is quite low. Making these initial purchases will be enough to begin incorporating/introducing the content of the new hymnal.

A member has already offered to cover the cost of all hard-copy materials needed at this stage of implementation. This includes the purchase of materials for use in the church office, pastor’s office, and for the church organists. The member was also generous enough to include copies of necessary printed materials for personal ownership for the pastor and two organists. The total cost of these materials totals **\$1,665.00** plus shipping

The cost that has not yet been covered is for the digital subscription materials, such as Service Builder. This is a three-part cost for the first year. The annual subscription cost for Service builder is **\$600.00** (based on

our membership count falling in the 100-199 range). There is a one-time “setup and support” fee of **\$250.00**. And there is an annual subscription cost for Service Builder Playlist (which will be used in the place of HymnSoft with the new hymnal) of **\$225.00**. The total initial cost for these three charges is **\$1075.00**, which is yet to be covered.

This initial cost calculation does not include the cost of purchasing copies of the hymnals and psalters for the pews. (**Note:** Without purchasing enough hardcopies of the hymnal and psalter for the pews, Service Builder would be required in order to introduce the new materials.)

Q: What is the cost if we decide to purchase enough hardcopies of the hymnal and psalter for the pews?

A: Based on the number of slots open in the pews, an estimated 242 pairs (hymnal and psalter) would need to be purchased if we decide to do so at a future date. Northwestern Publishing House prefers they be purchased at a 1:1 ratio. The total cost to purchase 242 pairs, based on the currently-listed prices, would be **\$11,132.00**.

(**Note:** Based on the size of our congregation, if we eventually purchase 125 pairs or more, our annual subscription to Service builder will be reduced from \$600 to \$400 for every year after that.)

If you have further questions regarding the new hymnal or Divine Savior’s planned use of the new hymnal, Pastor Parsons would be willing to address them if able. You can also visit the website for the new hymnal and preview the materials there, as well as find answers to further questions.

COUNCIL CONNECTIONS

ELDERS (WORKING WITH PASTOR) – MR. KEN KUESTER, HEAD ELDER

The Elders met to discuss connecting with members who have not been in worship for various reasons in hopes of finding ways to meet their spiritual needs. This includes members in the following categories:

- **Shut-in members** – those who are unable to regularly attend worship due to extenuating circumstances.
- **Delinquent members** – those who have been absent from worship for at least six weeks with no contact and/or no regular worship attendance.
- **Members with special circumstances** – such as adult children of members who also are members but may not be in the area.

If you have noticed that a certain member or members have been absent for an extended period, we would encourage you to reach out to them and let them know you are praying for them.

Current list of shut-in or semi-shut-in members, for those who wish to connect with them:

Arlene Protzmann; Phyllis Paske; Rosemary Zastrow (a member from Two Rivers who lives in the memory care unit at The Cottages); John Fromnes; Chris Shields; Margie Wyman; Jim and Brenda Rohde; Darryl and Becky Schmidt;

A NOTE FROM THE VICE PRESIDENT – DR. TOM HENKE, COUNCILMAN

CHURCH PROPERTY – MR. PAT ZOELLER, COUNCILMAN

The large pine tree hanging over the northwest corner of the building and the associated roof-mounted heating unit has been cut down and removed to better protect our roof and heating equipment.

Our snow removal and lawn care provider has done the spring yard clean-up for \$240. Council agreed that this was the best route to go this spring due to all the health concerns.

Carpet cleaning in the main hallways, office and food pantry rooms will be done in May. We are having some of the stained pew cushions cleaned at the same time also.

We had heat and air conditioning vents cut into the large storage room behind the altar prevent mold and mildew from harm the banners and other materials stored in that space.

New "Sharps Containers" have been installed in all the bathrooms. Please use as needed.

ADULT DISCIPLESHIP – DR. JOHN DAHLIE, COUNCILMAN

News Bits and Pieces and Selections from WELS TOGETHER

A Look into the Mirror

The Divine Savior family is getting smaller and looking older! But that is probably not a big surprise. So where does each one of us fit into the picture?

As of December 31, 2020, there were 162 people in the Divine Savior family ranging in age from 1 to 101. Seventy-three were males and 89 were females. The largest number of people (51 with 31 women and 20 men) were in their 70s. By contrast the smallest age group was the 10- to 19-year bracket having a total of only 2 girls--no boys.

For comparison, one year earlier there were 179 people in our family with 82 male and 97 female members ranging in age from one month to 100 years.

This year's demographic study found that aside from the 10- to 19-year age bracket with only two people the next sparsest age groups were 30 to 39 with seven and 40 to 49 with eight. As a result, there are only 15 members of our church family between the ages of 30 and 50.

The fact that almost 60% of our church family is 60 years of age and older reveals that there is more gray hair among us. Just under 25% of our members are between 30 and 60, and about 17% are under the age of 30.

Yet another way to show that our church membership is aging is to look at the median ages for the past two years. On December 31, 2019, the overall median age of members was 63; on December 31, 2020, it was 64. For men the 2019 median age was 61; this year it is 64. And for women, the 2019 median age was 65; this year it is 66.

(To explain: the median age is that point in the list of ages at which there are as many people younger than the median as there are older.)

So, "mirror, mirror on the wall," what are you telling us about us all?

QCDs Anyone?

Once again income taxes have been on the minds of many. People generally do not want to pay more than their fair share of taxes and look for legal ways to reduce their tax bills. One way that more Divine Savior members have been using recently to reduce their taxable income is the "Qualified Charitable Distribution" (QCD) from their retirement accounts.

People who have qualified retirement accounts such as IRAs, upon reaching either 70½ or 72 years of age (depending upon whether they were born before or after July 1, 1949) are required to begin withdrawing calculated minimum amounts annually from their retirement accounts. Such withdrawals are included in the person's taxable income unless they are given directly to a qualified charity. (Divine Savior is such a qualified charity.)

Qualified Charitable Distributions count toward the person's required minimum distribution (RMD), but they are not taxable. On the other hand, QCD's cannot be used as charitable donations that are listed as itemized deductions. However, with the Standard Deduction for income tax calculation being increased to much higher levels than in previous years, many people are better off using the Standard Deduction rather than itemizing deductions.

QCD's are becoming more popular with members of Divine Savior as a way to support the various ministries of the congregation while at the same time reducing their income tax bills.

People who want to make QCD's should discuss the details with either their financial advisors, their tax preparers, or the financial institution(s) where they have their retirement accounts.

First Quarter Financial Report

Now that one quarter of 2021 is in the books, it is appropriate to take a look at the developing financial picture for the new year in comparison with the same period last year.

The first three months of 2021 saw donations used to fund the Unified Budget totaling \$45,688, which was \$1,570 more than in 2020. In contrast, however, 2021 Unified expenses were \$41,097 while 2020 expenditures for the same period were 45,133. A year ago Unified expenses were \$1,015 more than contributions, but this year contributions have been \$4,591 more than expenses.

| <u>Year</u> | <u>Income</u> | <u>Expenses</u> | <u>Difference</u> |
|-------------|---------------|-----------------|-------------------|
| 2021 | \$45,688 | \$41,097 | \$45,091 |
| 2020 | \$44,118 | \$45,133 | (\$1,015) |

What's behind the Banners

It seems to be true for many people that what is routinely present is often overlooked or not seen. People become "blind" to things that they see time and again. Examples of this phenomenon might be the stained glass church windows, flowers by the altar, and the colorful banners that highlight the themes assigned to each Sunday of the year.

Each Sunday throughout the Church Year has its own set of Scripture readings generally centered around a particular theme. During the festival half of the Church Year, the themes are often more obvious; for example, Easter Sunday readings focus on Jesus' resurrection and Pentecost readings include selections about the outpouring of the Holy Spirit on the disciples.

With so many different Sunday themes throughout the year, how are banners selected for display for any particular service? To answer the question, a look behind the scenes can be revealing.

Our current banner collection includes 46 large (3' X 5') banners that are used in the sanctuary and four narrow banners that are hung in other locations. The collection has increased over recent years when some members of Divine Savior have obtained Coordinating Council approval to buy and donate new banners; and more recently the Council approved the purchase of a banner using previously undesignated memorial money.

Each year two women from the informally organized "Banner Committee" meet to consider the assigned Scripture readings and themes for all the Sundays in the year. Then, they decide which banners illustrate the various themes and select the banners to use. The chosen banners are noted on a calendar showing on which Sunday they are to be used.

Each week the banners displayed in church change. When there are Monday night services, the ushers usually check the banner calendar and exchange the current banner for the one assigned to the next Sunday. At other times, members of the banner committee change the banners.

So, who are members of this "mysterious" banner committee? In recent years four women have been involved in different ways and at different times. They are, or were, Joyce Frisque, Karen Lecker, Kay Sanville, and Sandra Schultz. While this group is not

an officially organized committee, it does the work of a committee. The members identify new banners needed in the collection; request Coordinating Council approval to order them; and then place the order. Once the banners have arrived, they are added to the collection and used when appropriate.

The tasks for the banner committee continue each year. Because the Scripture readings assigned to each Sunday throughout the Church Year change on a three-year rotation and because some seasons of the Church Year have a different number of weeks in them in different years, each year members of the committee have to repeat the selection process described earlier. And, the committee is continually alert to the need for new banners to add to the collection.

What's behind the banners? A lot more than meets the eye.

SunDrop Dayz

The Divine Food Pantry has been selected as one of five Shawano area non-profit organizations to receive a portion of the proceeds from SunDrop Dayz, which will be the first weekend in June: Friday and Saturday, June 4 and 5.

Communication from the event organizer stated: "Although having volunteers from each...non-profit [organization chosen] is not required, we sure would love some representation from each...However little or many volunteers you are able to round up does not affect the proceeds you will receive."

Volunteer positions and the time slots available for SunDrop Dayz are listed below. The volunteer slots are open to ONLY the 5 non-profits from now until May 6th. On May 6th the volunteer opportunities will open up to the general public.

Friday June 4th

4:00 pm-7:00 pm: 2 Cashiers

7:00 pm-11:00 pm: 3 Cashiers

Saturday June 5th

Noon-3:30 pm: 1 cashier

3:30 pm-7:00 pm: 3 cashiers

Anyone willing to volunteer should contact Don Frisque (715-526-5157) no later than 9:00 p.m., Wednesday, May 5, so that your name and contact information can be provided to the event organizer no later than May 6.

News Bits and Pieces and Selections from WELS TOGETHER

Selected COP Meeting Notes

(From April 20, 2021 TOGETHER)

The Conference of Presidents (COP) met for its spring meeting April 7-9. It was the first face-to-face meeting of the COP since last September.

The COP spent a good deal of time discussing the 136 pastoral vacancies and approximately 140 teacher/staff minister vacancies. The number of vacancies has grown since last year at this time. For the benefit of both congregations and workers, the COP limits the number of calls a called worker can receive in one year and also requires a time period between calls. With so many congregations requesting call lists, and with the limited number of workers eligible to receive a call, the district presidents have faced growing challenges in providing call lists to congregations. Much of the COP discussion regarding this issue centered around steps that can be taken to alleviate this problem and the importance of continued recruitment and training of called workers.

With the assignment of graduates at Martin Luther College and Wisconsin Lutheran Seminary approaching, the COP began discussing plans and procedures for assignment meetings. Assignments of teachers and staff ministers will be announced at Martin Luther College, New Ulm, Minn., on May 15; assignment of pastors and vicars will take place the following week at Wisconsin Lutheran Seminary, Mequon, Wis.

The COP continues to work on a restatement of the synod's doctrinal statement on the biblical roles of man and woman. A draft of this statement was distributed in 2020 and has undergone continuing work to bring it into a final form. There is no timetable for the completion of this work, since the COP desires to "do it right" rather than "do it quickly."

The COP plans to develop a pastoral brief addressing Christian freedom and pastoral practices.

[Editor's note: The Conference of Presidents (COP) is comprised of the 12 WELS district presidents together with the synod president, the first and second vice presidents, and the WELS secretary. The COP meets periodically and provides pastoral leadership and guidance for the synod.]

MLC Breaks Ground

(From April 20, 2021 TOGETHER)

Martin Luther College (MLC), New Ulm, Minn., broke ground on a new athletic facility, the Betty Kohn Fieldhouse, in April.

MLC administration, coaches, and students participated in the event, one which Rev. Richard Gurgel, MLC president, calls a milestone. "For many months God was moving the hearts of our brothers and sisters around the synod—with their gifts and their prayers and their encouragement to others—to build a foundation, a financial one and a spiritual one, for this day," he says.

Hundreds of gifts, including one transformational donation, allowed construction to begin.

The 36,000-square-foot indoor turf facility, which features large practice areas, baseball/softball batting cages, golf simulators, and locker rooms, will support a year-round physical education curriculum, enable spring sports to practice regularly, allow for additional intramural offerings, and create community connections. Plans are for students to be able to use the new athletic center by the beginning of 2022.

The building is part of the facility improvement pillar of the "Equipping Christian Witnesses" campaign, which has the goal to help train a corps of Christian witnesses to meet WELS ministry needs in the future.

Jordyn Heckendorf, a first-year physical education major at MLC, took part in the groundbreaking event. "The new Betty Kohn Fieldhouse is a dream come true!" she says. "As an athlete and child of God, I am always looking for ways to let my light shine through the skills God has blessed me with, and this fieldhouse gives me the opportunity to do just that. To all the people who generously donated to make this possible, I want you to know that we will not take this for granted."
